Spring Break

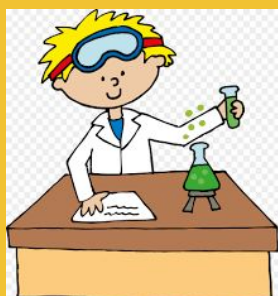

Spring Break is upon us, and our school is now closed for the break. Classes resume on Monday, April 22nd. Let's hope the weather cooperates and gives us all an opportunity to enjoy the sun and warmth of spring! Wishing everyone a restful break!

Science Fair Success!

Congratulations to all of our Ecole Deer Meadow participants at this year's local and regional science fair! Way to go Ayaan Hossain for bringing home the gold in the elementary category for your "Hot Ice" experiment, and to Alex Ikenaga for his silver for his project "Can We Make Bread Without Yeast?"

Apr. 23 - Term 3 Academies begin

Spell-a-thon Fundraiser!

Information letters and spelling lists have been sent home and prizes are beginning to roll in! As students gather donations to support them, this will increase their chances to be drawn for these amazing prizes. The trophy case near the green doors is filled with some current prizes and will continue to be updated!

The funds raised go to help pay for all of our wonderful field trips so all students can attend. Below is the link if you would like to donate to Ecole Deer Meadow School for this annual fundraiser.
