Change in the Front Office

We wanted to inform our school community that Mrs. Barb Gaudette will be leaving our team as of April 26th. While we will miss her dearly, we will also be cheering her on as she pursues a great new opportunity for herself.

We want to take this opportunity to express our gratitude to Mrs. Gaudette for her years of hard work and dedication, as well as her willingness to step up to help anyone out. Her void is a big one, as she truly has been involved in all facets of the operations of our school, both big and small. In particular, we will miss her knack for making sure everyone had what they needed to succeed, whether it was school supplies, a breakfast, or just someone to lend an ear.

Mrs. Gaudette has been a regular at Deer Meadow dating back to 2010, and has made many memories and strong bonds of friendship along the way. We are thankful for these and we look forward to having her visit as often as she can and wish her all the best on her next adventure!

Fresh Face

We are pleased to introduce Mrs. Kate Chapman as she joins our staff in the role of administrative support. We are fortunate to have Mrs. Chapman join us after serving both the Town of Olds and Olds College here in town. In addition to her financial and administrative skills, Mrs. Chapman also has many special talents that we are looking forward to tapping into as she settles in (ask her about the many instruments she plays when you have the chance)!

You may have already had the chance to interact with Kate, as she started her transition training with Mrs. Gaudette last week. Please join us in welcoming her to our school community when you have the chance!
