## Spell-a-Thon Success

At the posting of this newsletter we are just wrapping up another amazing Spell-a-Thon at Deer Meadow. We will have detailed results and pictures to share next week, but we wanted to take this opportunity to say thanks to all those who helped make it a success. Thank you to the many sponsors who donated amazing gifts that built excitement amongst our students. Thanks to all the donors who chipped in and supported students generously. Thank you to the school staff, parent volunteers and community members who spent hours organizing and preparing the many details that go into an event like this. And thank you to the amazing students who worked so hard to prepare for their tests, whether it was in class or on stage as part of the final Spelling Bee! This is such a fun event every year and the support it raises goes a long way towards making so many great learning opportunities available and accessible!
