Spellathon Success!

Our annual Spellathon fundraiser wrapped up last week with a spelling bee for each grade and amazing prize giveaways. Thanks to the amazing generosity of our donors, we were able to give away fifty-nine prizes to our students! Over \$15,000 was raised to support learning opportunities for our students! We are very thankful for the generous community that we are a part of!

On top of everything, it was a great day where we celebrated the hard work and achievements of our spelling bee contestants. These awesome spellers put on quite a show, going far above their grade level and often amazed the crowd with their abilities and determination! A champion was crowned for each grade level, and we celebrated them at our assembly in the afternoon. Great job once again to our contestants and the ultimate winners!

Spelling Bee Winners:

- Grade 5 - Sasha Williams
- Grade 6 - Ayaan Hossain
- Grade 7 - Lily Fox
- Grade 8 - Mukulu Shamvu
