Traffic Safety

The sun showed up this past week (mostly), making it a great time to get outside. Along with the nice weather, it is great to see many students now able to travel to and from school on foot or with their own set of wheels. We revisit traffic safety in classes to discuss specific issues related to arriving at and exiting our school grounds safely and we appreciate it if parents/guardians can review road safety with their students at this time of year as well. Any way that we can partner to keep our kids safe is a win!

Some specific issues that you could review:

- Using the marked crosswalks instead of crossing in the middle of the streets (especially during the busy drop-off and pick-up times).
- Not walking out from between the buses when parked in our bus loop (walking around and using the crosswalks is the safest).
- Walking bikes/scooters/skateboards to the bike racks instead of weaving through student traffic during the busy morning and after school timeframes.

Spring Band Concert

Bravo to an amazing concert put on by our talented band and choir members this past Wednesday evening! The talent on display was inspiring, especially after seeing all the hard work that has been put in throughout the school year to get to this point! Great job Ms. Wright and students!

Parent Council Meeting - Thursday, June 13 - 7:00pm

All parents and guardians are invited to attend the council meetings just to see what it is all about. Please join us on Thursday, June 13th at 7:00pm at the Deer Meadow Library, or online through Google Meet: <https://meet.google.com/miv-kojy-zfa>

Parent Council will be selling flowers and baked goods at the Annie performances.
