Halloween at Deer Meadow

Halloween is next Thursday and we look forward to the excitement that it brings. Here are some important reminders about our preparations at the school:

- **Learning remains our focus:** Students can come to school in costumes on Halloween, but they must be able to participate fully in the day's learning activities. This means no costumes that will interfere with their ability to sit at a desk, and they must still be able to change into their gym strip on their own for Physical Education. While classes may have some fun activities planned during the day, the majority of our day is still focused on learning.
- **School-appropriate costumes:** Costumes cannot include blood or gore (or anything else that might be overly scary - please consider younger students). We are a middle school and must balance the maturity ranges that exist between ages 10 through 14. Costumes cannot include masks or weapons (including fake ones), and please ensure costumes still meet our school dress code (see our [Student Handbook](#) for a reminder).
- **Classroom treats & allergies:** If you plan on sending any treats to share, please be aware of any allergy considerations in the class and touch base with your child's teacher if you are unsure.
