Student Progress

Here we are, already two months into the school year. It is hard to believe that the school year is already over 20% complete. Where does the time go!

With that being said, now is a great time to check in on student progress. While we produce a formal report card twice a year (Feb. 3rd and June 26th), parents and guardians can access student grades and attendance information on an ongoing basis using their access to PowerSchool. This is a key form of communication about your child's learning, and is an important tool for supporting their growth and development. Easy access is available through the quicklinks section on our website (www.deermeadow.ca) or at this address: <https://powerschool.cesd73.ca/public/>

Please reach out to the school should you have any questions about your child's progress or need assistance with accessing PowerSchool.

Principal Allan Whitehead
