~ Leadership Academy Clothing Drive ~

We are doing a clothing donation bin at school until mid-January. We will accept any clothing, children's books, gently used stuffed animals, blankets, accessories (purses, belts, shoes, hair scrunchies etc.), as well as small appliances. How your donations make a difference? There are many students who do not have warm clothes and they need our help. There are millions of pounds of clothing and household items that are diverted from landfills when we make generous donations. Please consider the DMS clothing drive for your donations when you are cleaning out your closets! Thank you so much for your Titan Spirit and your support of the Leadership program.

Pizza Tuesday Sales
will resume in January

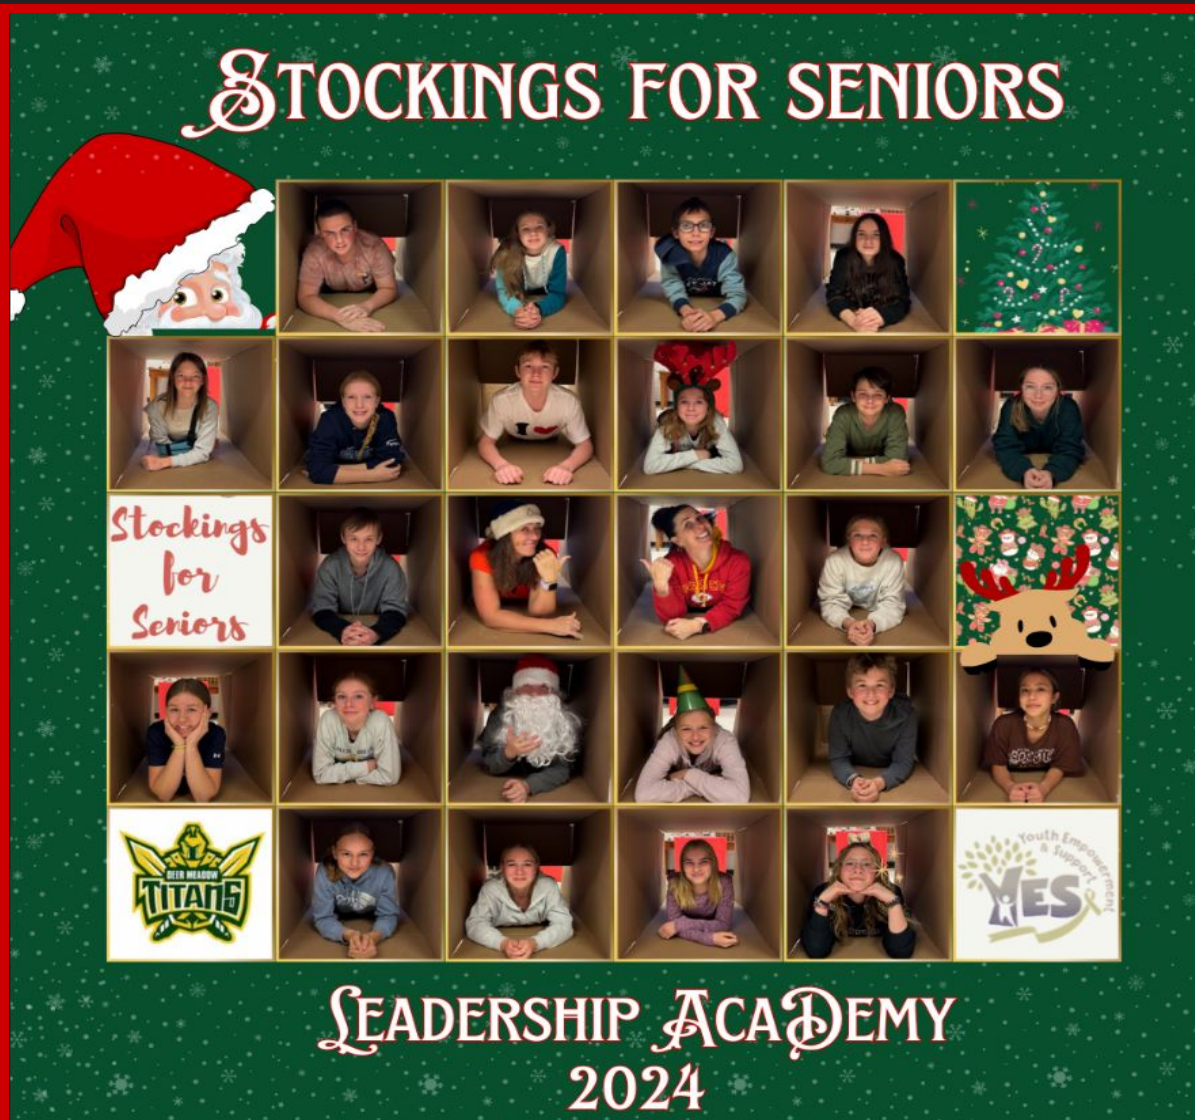

Support leadership development in our students while benefiting local charities!

THANK YOU!

Stockings for Seniors

Next week, a group of Deer Meadow students will be spreading some Christmas cheer by delivering stockings to the residents of a local retirement community in Olds. This will be our second year running "Stockings for Seniors" as a YES (Youth Empowerment & Support) initiative in cooperation with our school Leadership Academy. Students from Leadership, along with their teacher, Mrs. Hoppins, and Mrs. Weisbrodt from the YES program, will deliver the stockings and stay to sing Christmas Carols with the residents. Students have organized drop-off locations in every classroom in the school, along with several businesses around town as well. They have worked hard to collect donations and get all of the stockings ready to go. You may have even heard a couple of these students doing an interview airing on local radio!

We are excited to celebrate the great work in the community of this awesome group of students, and encourage them to continue standing up like this to contribute to our community. The YES program emphasizes community service opportunities like this as a great way to "Be a small part of something BIG", and has been a great way for our students to engage as leaders reaching outside of our school walls as well!

Christmas Spirit Week!

December 16
